Mr Michael Collins
Director
LEVCOL Pty Ltd
PO Box 903,
Neutral Bay, NSW, 2089

Dear Mr Collins,

Thank you for the information on the specification and the introduction of LEVCOL Pty Ltd for JACKLOC keyed window restrictor

Based on the information provided, the above product has been assessed and accepted for inclusion in the "*Deemed to Comply Product Register*".

Contractors can use your system on a project with approval from the "Principal's Representative" or the "Principal's Authorised Officer" on site.

This acceptance will cease to be valid if the product specifications are changed and the product will be removed from the "*Deemed to Comply Product Register*" immediately and the use of the product in Housing NSW properties will be suspended.

Housing NSW reserves the right to revise the requirements and assessment criteria for products. In case of such a revision, the product would be re-evaluated to determine its acceptability.

Contact Robert Willacy on 8753 8688 if you need any further information or clarifications.

Yours sincerely,

for
